Terms and Conditions:

All companies supporting the CSI 2011 must adhere to the terms and conditions outlined on the following pages. The congress organization reserves the right to make judgments onsite regarding booth layout and conduct of exhibitors that detract from the overall presentation of the meeting and, if necessary, will ask exhibitors to make adjustments in order to maintain the integrity of the exhibit hall.

Conduct of Exhibitors:

- Exhibits must be staffed during exhibit hours
- Set-up and dismantling is only permitted during scheduled times
- Aisles must be kept clear at all times of exhibitor personnel and all collateral materials and/or equipment
- No exhibitor may enter another exhibitor's booth without permission
- Entertainment, amusement or demonstrations of nonproduct items or services must be approved by the congress organization
- Product information is only allowed to display within the exhibitor's booth area
- Furniture needed for catering purposes are not allowed to use for displaying product information.

Fire Protection:
All materials used in the exhibit area must conform the local fire ordinances.
All displays are subject to inspection by the Fire Prevention Bureau. Aisles must be kept clear at all times. Fire stations and fire extinguisher equipment are not to be covered or obstructed in any manner. It is not allowed to put anything on the fire security lines. Fire security lines are marked at the floor of the exhibition area.

Insurance:
The course director, congress organization and Frankfurt Congress Center are not responsible for theft of, or damage to, exhibitor property. Exhibitors wishing to insure exhibit materials, goods or wares against theft, damage by fire, accident or loss of any kind must do so at their own expenses.

Social Activities Policy:
The course director requests that exhibitors do not schedule social events and non-sanctioned meetings which will draw physicians out of scientific sessions or the social dinner held on Friday evening or faculty dinner held on Thursday evening. Company events should be held only on Wednesday June 22, 2011.

CSI Meeting Cancellation Policy:
In the event that the CSI is abbreviated or cancelled because of circumstances beyond the course directors and/or congress organization's control, including, but not limited to, civil disturbance, earthquake, electrical outage, explosion, fire, freight embargo, strike or labor unrest, flood, hurricane, tornado or other acts of God, an act of war, terrorism, or the act of any government or any government agency of official, the course director and/or congress organization reserves the right to unilaterally terminate the agreement between the course director and/or congress organization and the exhibitor that is entered into/and or the license that is granted by virtue of the submission of this exhibitor prospectus and is acceptance by the course director and/or congress organization. In these circumstances, the exhibitor expressly agrees to waive any claim the exhibitor may have against the

course director and/or congress organization, including, but not limited to, those for fees paid by, or on behalf of, the exhibitor booth spaces, registration, workshops, satellites events, advertising and promotional opportunities, live cases, educational grants, housing, travel, audio-visual services, food and beverages and all other services agreed and paid.

Terms and Conditions Compliance:
The application for any of the above mentioned promotional opportunities is a binding contract and indicates the applicant's willingness to abide by all contract terms, conditions and general rules and regulations listed in the confirmation, as well as such additional rules and regulations that the course director and/or congress organization deems necessary to ensure the success of CSI. These terms and conditions may be amended at any time by the course director and/or congress organization and all amendments, upon publication, shall be equally binding on all parties affected by them as the original regulations.
